All we do is for you!

Founded in 1940 as a 23-bed nursing home, Miami Jewish Health serves approximately 12,000 patients, residents and participants annually. Ranging in age from 5 to 105 years old, our patients encompass all ethnic, religious and socio-economic groups. Most of those served by Miami Jewish Health live in Miami-Dade and Broward counties; however, individuals from across the country and around the world visit the “Centers of Excellence” within Miami Jewish Health. Our goal is to continue developing and implementing health programs that enhance the quality of life of those in the South Florida community, and foster independence and self-confidence for people of all ages. Miami Jewish Health also works with health care providers to develop effective health and wellness provider systems for the community and future health care environments.
